

## DeepX Valentine's Day Sale

The pressure that comes every February 14<sup>th</sup> should not overwhelm you from showing your loved one just how much you care about 4K underwater images.

Everyone wants to feel special this Valentines Day and the DeepX underwater housing with a matching Nikonos lens are sure to put you both in the mood.

Our research shows that true love can only be satisfied with true 4k. This is why true lovers find DeepX irresistible, svelte, and with precision-engineering, makes DeepX the perfect match for your RED Epic digital cinema camera.

This offer ends on Valentine's Day 2017. Receive the ultimate gift of love:

- ♥ Razor-sharp Nikon Nikonos 15mm underwater optics
- ♥ Stunning carry case
- ♥ Precision V-lock battery bracket and internal monitor mount

Slim and beautifully curved love handles, exclusive Nikonos-compatible lens mount and sexy titanium legs come standard with every DeepX.

Follow your heart this year, and cuddle this wonderful creation of love on Valentine's Day.
