Dear Mr Ahtel

I am writing to congratulate you on your win in the prestigious *Studiosdaily Prime Awards* in the United States.

I understand the awards are the equivalent of the Oscars for film and television technology so your win is truly outstanding.

It is a fantastic achievement and I commend you for your hard work and dedication in developing such cutting edge technology and producing such wonderful documentaries.

You epitomise what is so great about Tasmania's creativity which is the driver of enterprise and innovation such as yours.

Your win will put Tasmania on the international stage and once again will showcase the State's unsurpassed natural beauty.

Again congratulations on your win and all the best for your future endeavours.
